**Artistic Decorations**

When an entertainment of any kind is contemplated, the first consideration is the decorations. Next to the color scheme the most important feature of the decorations is the flowers. It is sometimes puzzling to know just what kind of floral decoration is best suited to the desired color scheme.

This is one of our principal specialties. Our expert will come right to your home and plan the decorations with you.

We also carry at all times an enormous stock of plants and cut flowers for gift purposes.

We are always prepared to furnish funerals with floral designing of any kind on short notice.

## PREFACE

---

THE fifth issue of the Indianapolis Blue Book possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the Indianapolis Blue Book as nearly perfect as it is possible to make such a volume.

We do not claim the Blue Book is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about two thousand names of the most prominent householders of Indianapolis and suburbs, published in the most convenient form for reference by our lady patrons.

The title "Blue Book," is given the work because of its blue cover. It does not refer to blue blood, as many people suppose, Webster's definition of Blue Book is as follows: "Blue Book—a book containing a list of fashionable addresses."

The data for this work have not been compiled from circulars or from other directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names.

Please send any information you may have that will aid in keeping the records correct to Dau Publishing Co., 40 West 33d Street, New York City.

## The Francis Pharmacy Co.

Cor. N. Pennsylvania and Ohio Streets

Indianapolis, Ind.

Successors to THE HURTY-FRANCIS PHARMACY CO.

Conduct one of the best equipped Prescription Pharmacies in the West. Every effort is made to maintain the highest standard of excellence in the character of their work and the quality of their drugs. They maintain an Analytical Laboratory where all drugs and chemicals are carefully inspected before entering the dispensing room. *It costs you no more* to buy your medicines of them than of those druggists who are indifferent as to the service which they render. They have their own messengers and call for and deliver Prescriptions or articles of merchandise to any part of the city without extra charge.

Their ROSE COLD CREAM is unexcelled by any manufacturer. Their line of Toilet Preparations also includes: PALMOLINE, for all roughness of the skin; FRANCIS' HAIR TONIC, compounded from the formulas of many eminent dermatologists and guaranteed to stop falling hair and to cure dandruff; PERFECTION GREEN SOAP, U. S. P., the rational shampoo, and PU-RO-DO, which destroys the odor of perspiration. This Pharmacy also carries a select line of Imported Perfumes, such as Houbliant's Ideal, Piver's La Trefle and Roger & Gallet's line. They sell them at very lowest prices.

## “Gifts That Satisfy”

Gifts that bring happiness to those concerned are the ones which embody Elegance of design, Durability and Usefulness.

Our buyer spends much time in the best markets selecting the *new* and *exclusive products* for our stock and the result is that we have a magnificent display of goods which will satisfy the most discriminating tastes. Let us save you the trouble and worry that generally characterizes *gift buying* by showing you some choice and distinctive pieces of Pickard's Hand Painted China, or dignified Silver pieces, Rich Cut Glass, Diamond Jewelry, etc., etc., all of which are selected by an expert who exercises great care and extremely good taste.

We also do all kinds of fine manufacturing such as diamond mountings, presentation medals, Emblem and Fraternal Jewelry.
